THE applications above referred to, are to the following purpose:—That the Honorable A. Ramsay and Mr. MacNabb may be admitted to become Annuitants from 1st May, 1832. Their letters instructing their Agents to pay the Fine, though dated (Mr. Ramsay's in duplicate, 10th January, Mr. MacNabb's 9th of the same Month,) did not arrive in time to admit of the Fine being paid previously to 1st May, the date of the commencement of the Annuity, in compliance with the Rules of the Institution. The India ships of the season were, however, delayed nearly a month later than usual. The *David Scott*, the first ship of the season, by which was dispatched the Original of Mr. Ramsay's letter, grounded at Plymouth, and suffered detention that could not be foreseen. Mr. Ramsay applied to the Honorable Court for permission to become an Annuitant from 1st May, 1832, and the Court decided, that they would not object to his being admitted to one of the vacant Annuities for that year, but directed him to apply to the Managers, forwarding to them his application and the Court's reply. Mr. MacNabb awaited the result of Mr. Ramsay's application to the Court, and is now desirous of having his case brought forward with that of Mr. R. at the proposed Special Meeting.

The Managers of the Fund, although they considered themselves precluded by the 11th Rule from complying with Mr. Ramsay's application, did not think proper to oppose the request of his Agents, Messrs. Fergusson and Co. that the matter should be submitted to a General Meeting which took place on the 1st Instant, and as at that Meeting seven of the Members present voted for, and four only against granting Mr. Ramsay's application, the case still remains undecided with reference to Rule 26 of the Annuity Fund Regulations, (by which the concurrent voices of nine Members at least actually present, are requisite to determine any question whatever.)

5. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during the Thirty-four preceding years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Lenver used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen on application to the Office of the Secretary to the Board of Customs, Salt and Opium.

NOTICE is hereby given, that a Special General Meeting of the Subscribers to the CIVIL SERVICE ANNUITY FUND, will be held at the Town Hall on Monday, the 25th Proximo, at 10 o'clock A.M. for the purpose of taking into consideration the applications of the Hon'ble A. Ramsay and J. M. MacNabb.

By order of the Managers,

(Signed) J. W. ALEXANDER, Secretary.

Civil Service Annuity Fund Office, }
12th January, 1833.

THE applications above referred to, are to the following purpose:—That the Honorable A. Ramsay and Mr. MacNabb may be admitted to become Annuitants from 1st May, 1832. Their letters instructing their Agents to pay the Fine, though dated (Mr. Ramsay's in duplicate, 10th January, Mr. MacNabb's 9th of the same Month,) did not arrive in time to admit of the Fine being paid previously to 1st May, the date of the commencement of the Annuity, in compliance with the Rules of the Institution. The India ships of the season were, however, delayed nearly a month later than usual. The *David Scott*, the first ship of the season, by which was dispatched the Original of Mr. Ramsay's letter, grounded at Plymouth, and suffered detention that could not be foreseen. Mr.

Ramsay applied to the Honorable Court for permission to become an Annuitant from 1st May, 1832, and the Court decided, that they would not object to his being admitted to one of the vacant Annuities for that year, but directed him to apply to the Managers, forwarding to them his application and the Court's reply. Mr. MacNabb awaited the result of Mr. Ramsay's application to the Court, and is now desirous of having his case brought forward with that of Mr. R. at the proposed Special Meeting.

The Managers of the Fund, although they considered themselves precluded by the 11th Rule from complying with Mr. Ramsay's application, did not think proper to oppose the request of his Agents, Messrs. Fergusson and Co. that the matter should be submitted to a General Meeting which took place on the 1st Instant, and as at that Meeting seven of the Members present voted for, and four only against granting Mr. Ramsay's application, the case still remains undecided with reference to Rule 26 of the Annuity Fund Regulations, (by which the concurrent voices of nine Members at least actually present, are requisite to determine any question whatever.)

Head-Quarters, Camp, Cawnpore, 26th January, 1833.

At all Reviews and Inspections, Bheesties and Cavalry Sycns, who may go out with the Troops, should be directed to keep at a little distance from them, and to place themselves on the reverse flank of the column, or in rear of the line. No persons of this description are to be allowed to come between the Reviewing Officer and the column when the Troops are passing the General.

It having been brought to the notice of the Commander in Chief, that the supply of the Oxford Mixture received from England at the two Clothing Agencies, falls short of the quantity required for the use of the Jemadars of Native Infantry, and other ranks entitled to that description of Cloth, His Excellency is pleased to sanction a coarser sort of the same color being used in the preparation of the Trouavers for those ranks, for the year 1832-33. Compensation in money (the amount to be fixed by the Clothing Board) will however be made to those who may not receive Cloth of the regulated fineness.

The Agent of the 1st Division of Army Clothing having also reported that there is not a sufficient quantity of white Cloth in store, for the stripes down the Overalls of the Light Cavalry, His Excellency sanctions orange Broad Cloth being used in this instance, in its stead.

The Commander in Chief is pleased to confirm the appointment of Acting Assistant Apothecary T. Nulty to officiate as Assistant Apothecary and Steward to the 3d Troop 2d Brigade Horse Artillery, from the 13th October last, when it proceeded by water from the Presidency towards Cawnpore.

Mr. Nulty will continue to officiate in the same capacity during the march of the Troop from Cawnpore to Meerut, when he is to be directed to return to the Presidency by water, and to rejoin the Detachment of the 5th Battalion Artillery at Dum-Dum, to which he stands appointed.

The undermentioned Officer has Leave of Absence:

73d Regiment Native Infantry—Lieutenant R. M. Hunter, from 13th February to 16th October, to visit the Hills North of Deyrah, on private affairs.

By Order of His Excellency the Commander in Chief,

W. S. BEATSON,
Adjt. Genl. of the Army.

Head-Quarters, Camp, Cawnpore, 26th January, 1833.

The Commander in Chief being about to proceed to the Presidency, the following Officers are directed to proceed by hawk to Calcutta, in attendance on His Excellency:

Lieutenant Colonel Beatson, Adjutant General of the Army.

Captain Ramsay, Persian Interpreter.
Lieutenant Fawkes, Aide-de-Camp.

The General Order of the 16th instant, directing Captain Stoddart, Assistant Adjutant General of the Army, to proceed to the Presidency by water, is cancelled, and that Officer will continue with the Adjutant General's Office in Camp.

The Head Quarters Camp will proceed on the 2d proximo, from Cawnpore towards Meerut, and all Periodical Reports and Returns intended for the Adjutant General's Office at Head Quarters, are to be transmitted to Captain Craigie, Assistant Adjutant General of the Army.

All Reports and Applications from Stations above Alahabad, are likewise to be addressed to the Assistant Adjutant General of the Army, "Head Quarters Camp," unless they are of such an emergent nature as to require being transmitted without any delay to the Commander in Chief, when they may be addressed to the Adjutant General at the Presidency.

All Reports and Applications from Alahabad, and from Stations below, that Garrison, are to be addressed to "the Adjutant General at the Presidency," until further orders.

The General Orders will be printed and circulated from the Camp, under His Excellency's directions, and

as this may occasion some delay in the notification of leave of absence, Officers Commanding Divisions and Field Forces are authorized to permit Officers to proceed in anticipation of their leave, in cases of emergency and when the delay would be productive of serious inconvenience.

account of the Weight of the Drug when packed at Behar

NOTICE.—Mr. LUDOVICK CARMICHAEL has this day been admitted a Partner in our Establishment.

MACINTYRE AND CO.

Calcutta, 1st February, 1833.

NOTICE is hereby given, that a Special General Meeting of the Subscribers to the CIVIL SERVICE ANNUITY FUND, will be held at the Town Hall on Monday, the 25th Proximo, at 10 o'clock A.M. for the purpose of taking into consideration the applications of the Hon'ble A. Ramsay and J. M. Macnebb.

By order of the Managers,

(Signed) J. W. ALEXANDER, Secretary.

Civil Service Annuity Fund Office, }
12th January, 1833. }

THE applications above referred to, are to the following purpose:—That the Honorable A. Ramsay and Mr. MacNabb may be admitted to become Annuitants from 1st May, 1832. Their letters instructing their Agents to pay the Fine, though dated (Mr. Ramsay's in duplicate, 10th January, Mr. MacNabb's 9th of the same Month,) did not arrive in time to admit of the Fine being paid previously to 1st May, the date of the commencement of the Annuity, in compliance with the Rules of the Institution. The India ships of the season were, however, delayed nearly a month later than usual. The *David Scott*, the first ship of the season, by which was dispatched the Original of Mr. Ramsay's letter, grounded at Plymouth, and suffered detention that could not be foreseen. Mr. Ramsay applied to the Honorable Court for permission to become an Annuitant from 1st May, 1832, and the Court decided, that they would not object to his being admitted to one of the vacant Annuities for that year, but directed him to apply to the Managers, forwarding to them his application and the Court's reply. Mr. MacNabb awaited the result of Mr. Ramsay's application to the Court, and is now desirous of having his case brought forward with that of Mr. R. at the proposed Special Meeting.

The Managers of the Fund, although they considered themselves precluded by the 11th Rule from complying with Mr. Ramsay's application, did not think proper to oppose the request of his Agents, Messrs. Ferguson and Co. that the matter should be submitted to a General Meeting, which took place on the 1st instant, and as at that Meeting seven of the Members present voted for, and four only against granting Mr.

Ramsay's application, the case still remains undecided with reference to Rule 26 of the Annuity Fund Regulations, (by which the concurrent voices of nine Members at least actually present, are requisite to determine any question whatever.)
